Blue Villa

Price: USD 769.000

Location: Belair

Lot size: 979 m2

Bathrooms: 3

Bedrooms: 4

Villa Blue, a beautiful contemporary designed villa located in the hills of Belair overlooking the Caribbean Sea with views to the neighboring island of Saba. The villa was built with an eye for details. Design tiles and finishings were used throughout the villa which differentiates this property from others in the neighborhood and make this villa stand out for it's value. On the upper floor: - fully equipped kitchen with beautiful ocean views, with a bar open to the terrace - living area opening up to a large terrace with ocean view - an additional room for office, storage or 5th bedroom - the master bedroom and its ensuite bathroom and walk in closet - a powder room - access to the garden in the back of the house On the lower level: - 2 bedrooms sharing a bathroom. Each bedroom has a large built in closet - another master bedroom with ensuite
