

FOR SALE

Beachfront Penthouse in the Heart of Dutch Sint Maarten

Price: USD 650.000

Location: Philipsburg

Bathrooms: 2

Bedrooms: 2

Beachfront penthouse for sale in Sint Maarten. This stunning penthouse is located in the beachfront building and boasts unparalleled ocean views from every angle. With access to the beach just steps away from the building, you'll be able to enjoy the ultimate Caribbean Lifestyle. The property features a gated parking area on-site for convenience and security. From the front porch, back porch, and side porches, you'll enjoy a 360-degree view of the ocean and island that is truly breathtaking. The penthouse is designed to make the most of its beachfront location, with large windows and sliding glass doors that open up to the ocean breeze. The interior is light with quality finishes and modern amenities throughout. Whether you're looking for a full time residence or a
