CRYSTAL Apartments

Price: USD 390.000

Location: Anse Marcel

Built up size: 50 m2

Bathrooms: 1

Bedrooms: 2

An exceptional residence in the heart of a garden of Eden. A true haven of peace nestled in one of French Saint Martin's most privileged locations: Anse Marcel. Nestled between the turquoise waters of the Caribbean Sea and lush green hills, the Crystal residence offers breathtaking views of the ocean and surrounding landscape. The residence is made up of sumptuous apartments carefully designed to offer you the ultimate in comfort. Each apartment boasts large outdoor terraces, while interiors are spacious and bathed in natural light. The Crystal residence combines luxury, modernity and elegance. Located just 28kms from the prestigious island of Saint Barth, Saint Martin is an exceptional destination. With its dual French culture to the north and Dutch to the south, it attracts a privileged international
