

FOR RENT

Point Blanche Commercial Warehouse

Location: Point Blanche

Built up size: 180 m2

Located in the industrial zone of Point Blanche, this 180m2 commercial warehouse presents a unique opportunity for businesses in need of secure, dry storage space. The property offers excellent accessibility and functionality, making it perfect for logistics, distribution, or storage operations that do not require refrigeration or moisture-sensitive infrastructure. Key Features: Purpose-built for dry storage only – Not suitable for refrigerated or wet storage Spacious interior with high ceilings, allowing for optimized racking and inventory management Solid construction with durable flooring to handle heavy loads Easy access for container trucks and deliveries Secure premises in a strategic commercial location Whether you're expanding your business or seeking a reliable storage solution in a high-demand area, this warehouse is a smart investment. Contact me today to schedule a private tour and see how this space can work for your business.
