

Prime Development Land — Sint Maarten

\$ 7.738.200

25.794 m2

Other

This is a rare opportunity to acquire a large, assembled land tract in the heart of Sint Maarten. One of the few sites on the island offering this scale of contiguous, developable land in a single transaction.

Highlights:

- Central location, with strong connectivity across the island
- Scale suited to large-format retail, mixed-use, or commercial/entertainment development. A footprint uncommon on Sint Maarten
- Assembled ownership across ten survey numbers
